POLITICAL BRANCH 31 MAR. 1919

I have the honour to forward herewith a copy of a disallowance memo issued by the Comptroller with reference to my Travelling Allowance Bills for the months of Novembe and December 1918 together with supplemental bills for the amounts disallowed. The disallowances are all on account of journeys performed by road between stations connected by railway. I have the honour to request that the claims for journeys by road may be admitted for the following reasor

(1) 1st November 1918. On this day I proceeded from Mysore to Hunsur, Periyapatna and back to see to the arrangements in connection with the influenza epidemic. The journey was not undertaken by railway from Mysore to Yedatore and thence to Hunsur as it was my object to see to conditions in the important villages of Yelwal and Bilikere also.

(2) 28th November 1918. On this day I had arranged to visit Nelamangala and then to meet the Deputy Commissioner, at Tumkur and afterwards proceed to Kunigal. It was not possible to go by railway to Golhalli and then by road to Nelamangala as this would have meant a considerable loss of time. From Tumkur I went to Gubbi by road and thence to Kunigal instead of to Kunigal direct as it was ascertained from the Deputy Commissioner that the Sub Division Officer had proceeded to Gubbi to see to the commandeering arrangements

arrangements and it was considered desirable that I should give him some personal instructions. It was not possible to wait for a train.

(3) 16th December 1918. On this day, I proceeded from Mysore to Seringapatam and Seringapatam to Yedatore and back. There was great anxiety about the non-supply of paddy to the Mysore City and with the Inspector-General of Police and the President of the Municipal Council, proceeded to Seringapatam and from there to Yedatore to find out the cause of the trouble and to remove misapprehensions. These journeys could not have been undertaken unless I had at least 3 days to spare for the purpose.

2. Having regard to the special nature of my work, the Government have recently been pleased to accord general sanction to my performing road journeys between places connected by railway. The Comptroller has intimated that this sanction cannot have retrospective effect. I request that the Government may be pleased to sanction the two supplemental bills now submitted.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller &

Office of the Comptroller,

Bangalore, dated the 25th January 1919.

The bills for Rs.766-9-0 in his T.A. bills for November and December 1918, have been passed for Rs.739-9-0 and Rs.27-0-0 has been disallowed for reasons noted overle
